Affordable Connectivity Program (ACP)

Through the Internet Essentials website you can also sign up for the Affordable Connectivity Program (ACP). affordableconnectivity.gov (phone 877-384-2575) ACP provides up to \$30 per month toward internet service for low-income households. Eligible households can also receive a one-time discount of up to \$100 to purchase a laptop, desktop computer, or tablet from participating providers if they contribute more than \$10 and less than \$50 toward the purchase price. ACP is limited to one monthly service discount and one device discount per household. ACP and Internet Essentials discounts can be used together.

King County Library System (KCLS)

Your local branch (there are 50 locations) of KCLS has computers available that are free to use. www.kcls.org. There are also printers, copiers, scanners and fax machines available. You can print up to 10 black and white pages OR three color pages each week for free. Extra pages may be purchased. You can use any available computer or make a reservation.

You will first need to get a library card, free for all King County residents. Most cities in the Seattle area are part of King County. Apply online or in person. Bring a photo ID and proof of your address.
